Because plastic wrap belongs in the kitchen

Designed exclusively for Aladdin china dishware, our new series of clear disposable domes provide a smart and sanitary choice for covering foods served on our china. Fully recyclable and available in 4 convenient sizes, our single-use domes are easy to apply and provide a far superior meal presentation compared to plastic wrap.

Disposable dome lids¹ exclusively for **ALADDIN CHINA!**

CDL703 Dome Lid

504/case

Fits J703 fruit bowl

ADL46 Dome Cover

240/case

Fits Aladdin 9" entrée dishes²
