Aladdin[®] Insulated Tableware!

DESIGNED FOR YOU AND THE PATIENTS YOU CARE FOR

Our insulated tableware offers a combination of style, performance and functionality you won't find anywhere else. Designed with thoughtful features like nested fit stacking and ergonomic handles, our insulated tableware saves space in your kitchen and makes tray assembly faster and easier!

Unlike others, our insulated products are fully foam insulated, which means your patient meals are always served at the ideal temperature. The ergonomic features and attractive styling of our mugs, bowls and domes provide a pleasurable dining experience that is second to none!

Radiance[®]

Unrivalled elegance and industry-leading temperature holding performance!

Essence[®]

Distinct modern styling and impressive temperature holding performance.

Allure[®]

Timeless styling and proven temperature holding performance.
