Kids' Products

There are still 10 little sheep
hidden in this picture
Can you find all of them?

Kids can have a great deal of influence on their parents' decision where to dine out. It is important the restaurant operators appeal to their younger guests with attractive and amusing mealtime essentials like color pictures and activity sheets.

If the kids have a fun experience, so will their parents, and the whole family can enjoy quality time in your restaurant!

Crayons

- Entertained kids = happy parents
Happy parents = satisfied customers
- Lead and asbestos free
- Also available: hex-shaped crayons that won't roll away from little hands ... and off the table
- Various pack sizes and colors available
