BETCO

SURE CONNECT Closed Loop System
For over 70 years Betco has built a reputation for delivering innovative, high value products, delivery systems, programs and equipment. These achievements reflect Betco's continued commitment to innovative cleaning technologies.

This market specific program will help you find everything you require to meet your needs. Betco's unique products and programs do more than just clean…they help you save labor & time, enhance employee safety, minimize product waste and better manage your costs.

SYMPLICITY™

SYMPLICITY™ enhances the value of your operation with three principles… **Clean, Safe and Simple.**

CLEAN – Premium products and programs uniquely designed to deliver one wash clean performance.

SAFE – Many products are recognized by DfE, are low environmental impact products and feature "no-contact" Sure Connect dispensing.

SIMPLE – Our expert personnel provide support materials and continuous employee training to keep your operation running smoothly. Streamlined product offering reduces inventory costs and simplifies the reordering process.

With SYMPLICITY, we concentrate on your cleaning needs so you can focus on your customer's needs!

SURECONNECT

Betco's SYMPLICITY™ Closed-loop Dispensing System provides:

Cost Savings – Maximum cost savings from super-concentrated products assuring performance and consistency.

Accurate Dispensing – Sure Connect eliminates waste and employee guesswork.

Closed Loop Dispensing – No contact feature prevents spills and chemical contact.

Simplified Training – Easy to use, color coded system helps prevent product misapplications.

Environmentally Friendly – SureConnect closed loop system prevents accidental spills in the workplace environment.
Easy to use, color-coded Closed Loop dispensing system offers performance, safety, environmental and cost-saving benefits.
