BETCO[®]

Basic Coatings®, Experts in Sports Floors.

Betco® Sports Zone® is powered by Basic Coatings®. Basic Coatings has a legacy of protecting and maintaining wood and synthetic sports floors. Our breadth and depth of line accommodate all present and future sport finish and cleaner needs.

The Basic Coatings Advantage

- Performance** – Basic Coatings products provide top performance at every level with best-in-class durability and the fastest cure times on the market—“Coat Today, Play Tomorrow”—from StreetShoe® NXT which is 90% cured in 24 hours, to GymShoe® which offers tremendous shine and more scuff/heel resistance than competitive products. Basic Coatings’ products outperform the competition in every way.
- Programs** – With three easy ways to protect sports floors, Basic Coatings is perfect for any time frame or budget. The TyKote® System provides a dust-free coating solution that is fast, for labor savings and limited down time, as well as easy-to-use products and procedures.
- Professional’s Choice** – Basic Coatings proven products and programs are the choice of professionals today. If you watch college or professional basketball, you have definitely seen champions play on our finishes.
