NOTES:

1. Although the soap containers for the B-150 and B-170 Series dispensers are similar in appearance they are not interchangeable and dispenser will not function properly if the incorrect container is installed. If assistance is required in identifying the correct model number, please send a sample or contact Customer Service.
2. The #8221-95 and #822-95 containers are interchangeable. However, to convert from a large container to the smaller one may require some modification to the dispenser. Please contact Customer Service for further information.
