WELCOME TO DIRECT PACK

YOUR INNOVATION PARTNER

Direct Pack is a leader in sustainable, customized and innovative thermoformed packaging for all food applications. Our passion is to truly understand your needs and translate them into outstanding packaging solutions with a strong focus on visual design, functionality and environmental sustainability. Using post-consumer recycled material in both our custom and BOTTLEBOX® branded products, our talented team brings packaging expertise to the foodservice, supermarket, produce and processor industries. The four core values below guide us in everything we do.

CARING
RELATIONSHIPS

OUTSTANDING
PERFORMANCE

IMPROVING
SUSTAINABILITY

INSPIRING
INNOVATION

CUSTOMIZATION

CUSTOM EMBOSSING

Make the packaging your own! Emboss your logo or message on the lid or base, and make sure your brand stays with your customers after they leave your restaurant. *We offer custom embossing from 500,000 pieces per year.*

CUSTOM COLOR OR PRINT

Another way to stand out in the crowd and strengthen your brand, is to choose packaging in a color or print that matches your brand identity. We can match all colors and make prints with custom designs.

CUSTOM SHAPE

Work with our innovation team to create packaging with the exact measurements, ounce capacity, and functionality you need. We will develop a tailored, innovative, sustainable solution together with you.

MADE OF RECYCLED BOTTLES

SUSTAINABILITY AND DESIGN

BOTTLEBOX® is the original takeout container made from post-consumer recycled beverage bottles. After use, it can be recycled again.* Using recycled PET in our containers reduces the need for new material, diverts plastic from landfills and oceans, and contributes to a significant reduction in greenhouse gas emissions.

BOTTLEBOX® containers are characterized by clean lines, great geometry and high functionality. Add to that multiple color options and continuous innovation for your menu needs – and you'll have unique, sustainable packaging options that will have your food standing out in the crowd.

HOW DO YOU KNOW IT'S A BOTTLEBOX®?

BOTTLEBOX® is the most recognized brand of recycled products in the food packaging industry. Each container is embossed with the BOTTLEBOX® logo and the minimum number of bottles included in each box.

RECYCLING

Please recycle all your BOTTLEBOX® containers, as well as other PET food packaging and bottles.* Through recycling, PET is a valuable, infinite resource, that can be used over and over again.

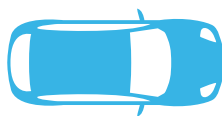

We have our own recycling and recovery facility, Direct Pack Recycling, where we produce flakes from recycled PET. We buy bales of recycled PET bottles and thermoforms directly from your local MRFs (material recovery facilities). The clean flakes go from Direct Pack Recycling to one of our extrusion and thermoforming facilities, and become new food packaging products.

BY USING BOTTLEBOX®, YOU ARE CONTRIBUTING TO A MORE SUSTAINABLE ENVIRONMENT. SINCE 2011 WE HAVE USED OVER 5.7 BILLION RECYCLED BOTTLES. THAT'S EQUIVALENT TO...

133 MILLION LBS OF PLASTIC
SAVED FROM LANDFILLS
AND OCEANS

17,292 CARS
TAKEN OFF THE ROAD
FOR A YEAR

180 MILLION LBS OF CO₂
SAVED FROM THE ATMOSPHERE

14,204 HOUSEHOLDS'
ELECTRICITY USAGE
FOR A YEAR

*With the exception of black: Black bases are not recognized by optical sorters in the recycling facilities, and thus not recovered.

HINGED CONTAINERS

 = recycled bottles used to make each container

FUNCTIONALITY WITH ADDED VALUE

Show customers your stance on sustainability by using one of our hinged BOTTLEBOX® containers. Available now in sizes ranging from 5 x 7" and 6 x 6" to 9 x 9" and in colors ranging from classic clear and black, to our signature lime green and tangerine. The hinged BOTTLEBOX® containers are perfect to use in your grab-and-go sections, or even as left-over containers.

DELI CONTAINERS

 = recycled bottles used to make each container

SUSTAINABLE SNACK AND DELI PACKAGING

In this on-the-go society, many consumers are looking for a quick bite they can eat that won't slow them down. BOTTLEBOX® deli containers are a great option for your snacks as they come in sizes as small as 8 oz. The four-quad is perfect for different kinds of snack mixes, and try the three-compartment for creative kids' meals.

ENTRÉE & HOT FOOD

 = recycled bottles used to make each container

PERFECT FOR TAKE-OUT & DELIVERY

Whether you are a five star, fast-casual, or fast food restaurant, being able to transport your food is now becoming a critical focus point. More and more consumers want to enjoy your meals at their homes or in their offices, and you need a vessel that will help to transport your brand and quality all the way. Many of the most successful restaurant chains are using our entrée containers to do just that. Made for hot or cold food, our entrée containers come in a variety of sizes, depths, in black and in color. Add your logo to any lid to ensure you create a lasting impact with your customers.
