CLAX®

Magic Multi

70F2

## Spot Remover - Multi-Purpose

Clax® Magic Multi is a stain remover designed for the effective removal of most common types of stains such as nail polish, tar, lipstick, mascara, and gum.

### Features & Benefits

- Formulated with a ready to use blend of solvents and other cleaning components to effectively remove most common types of stains
- Extends linen lifetime by reducing the need for rewash
- Highly concentrated to limit the impact on the environment
- Ready, easy and safe to use
- Can also be used as a component of a laundry reclaim process or as a detergent booster

### Applications

- Apply directly to stain prior to washing
- Use on most types of fabric
- Specially formulated for use in commercial and on premise laundries

# Clax<sup>®</sup> Magic Multi

Spot Remover - Multi-Purpose

## Use instructions

Clax<sup>®</sup> Magic Multi is intended for use directly, as supplied. Do not dilute prior to use.

### To use for spot removal:

- Place stained textile on a clean work surface.
- Carefully saturate the stained area with Clax<sup>®</sup> Magic Multi prespotter.
- Gently scrape or otherwise work prespotter into the stain.
- Allow to sit for 5-10 minutes, but never for longer than 15 minutes.
- Launder normally.

### To use as a component of a laundry reclaim process or as a detergent booster:

- Use as much as 64 fl.ozs. per 100 pounds of clean, dry textiles.
- Add product to the washing machine during the wash/suds step of the wash cycle.
- For best laundry reclaim results, use this product in combination with other Diversey laundry reclaim cleaners and a properly designed wash formula.

## Safe handling

Please make sure your employees read and understand the product label and Safety Data Sheet before using this product. The label contains directions for use; and both the label and SDS contain hazard warnings, precautionary statements and first aid procedures. SDS are available online at [www.diversey.com](http://www.diversey.com) or by calling 888.352.2249. Improper use or dilution may result in damage to surfaces and may result in health and physical hazards that match those of the concentrate. Please refer to the Diversey HazMat Library, only available through Internet Explorer, <http://naextranet.diversey.com/dot/>, for up-to-date shipping information.
