## MECHANICAL NO-TOUCH ROLL TOWEL DISPENSER

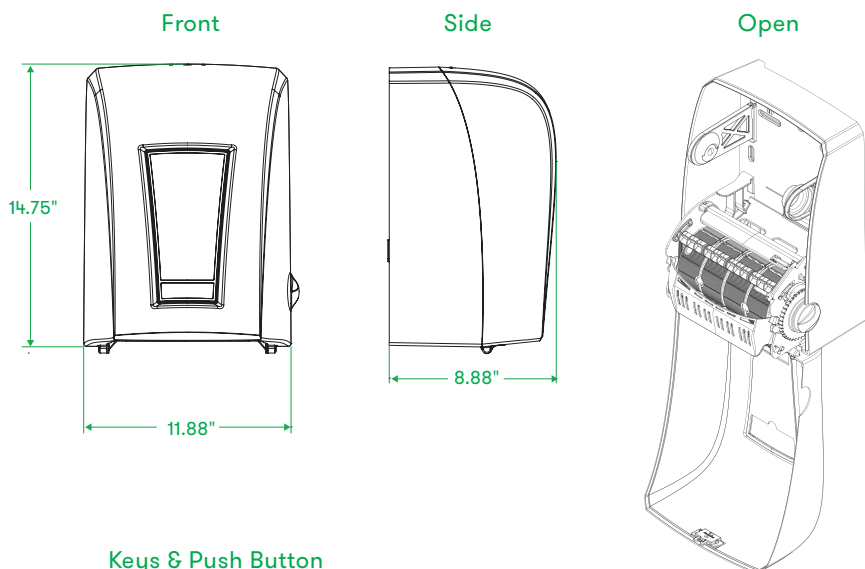

- Touchless dispenser minimizes cross-contamination for maximum hygiene
- Single-sheet dispensing reduces labor cost and consumption
- Built-in stub roll feature helps to eliminate waste
- See-through window allows you to quickly know when to service the dispenser and load a new roll
- Conforms to ADA guidelines when properly installed
- OnDisplay™ customized window inserts

## OPERATION

The Cascades PRO Tandem™ Mechanical No-touch Dispenser is designed specifically to function with the Cascades PRO Perform™ and Cascades PRO Signature™ 775' and 1050' roll paper towels.

## INSTALLATION

Read instruction sheet before using this roll towel dispenser. Position the dispenser and make sure the lock or push button positions are accessible and cover opens completely. Mark the installation hole position on the wall. Use the built-in level. Drill guide holes then install the dispenser with appropriate fasteners. Alternative screws and anchors may be required depending on wall materials.
