## Foaming Acid Restroom Cleaner

High-foaming, acidic restroom cleaner that clings to vertical surfaces.

### Features & Benefits

- Strong, acid-based cleaner removes soap scum, scale and hard water deposits from surfaces in restrooms
- Ready-to-use, with powerful foaming action
- High foaming cleaner that clings to vertical surfaces for longer dwell time
- Great cleaner for fast and efficient restroom maintenance

### Applications

- Use on acid-resistant surfaces such as ceramic tile, fiberglass, quarry tile, chrome, porcelain, and stainless steel
- For cleaning shower walls, tubs, toilets, sinks, etc.

Crew®

#### Safe handling

Please make sure your employees read and understand the product label and Safety Data Sheet before using this product. The label contains directions for use; and both the label and SDS contain hazard warnings, precautionary statements and first aid procedures. SDS are available online at [www.diversey.com](http://www.diversey.com) or by calling 888.352.2249. Improper use or dilution may result in damage to surfaces and may result in health and physical hazards that match those of the concentrate. Please refer to the Diversey HazMat Library, only available through Internet Explorer, <http://naextranet.diversey.com/dot/>, for up-to-date shipping information.
