

We Stand Behind Those Who Serve Greatness

Four of Your Favorite Dixie® PerfectTouch® Cups, One Convenient Lid, Lots of Savings

NEW!

The re-designed 20 oz. Dixie® PerfectTouch® cup now shares the same lid as its 10 oz., 12 oz., and 16 oz. counterparts.

Share One Lid Size

We get it. Offering your customers a range of hot cup sizes makes sense, juggling multiple sizes of lids does not.

Help reduce your cost and save counter space by offering one lid size to pair with the four most popular PerfectTouch cup sizes (10 oz., 12 oz., 16 oz., and 20 oz.).

Previous Lid Configuration

FOODSERVICE

Georgia-Pacific

Creating efficiencies while helping to increase customer satisfaction. That's Dixie innovation at work.

Space Saving

Save counter space by offering one lid size instead of multiple.

Cost Efficient

Offering one lid size for multiple lids helps reduce costs associated with offering multiple sizes.

Reduce Waste

Ensuring you always have the lid your customer needs helps reduce waste.
