When Sustainability Means Business,

Make the EarthChoice. It's Better. To Go.

Switch to EarthChoice with confidence.

Visit EarthChoicePackaging.com to begin a conversation about your sustainable packaging needs.

These guidelines are supplied to assist you in determining the proper use of Pactiv products. They are based upon testing and published guidelines and are reliable in most applications. However, because every food supplier's recipes, ingredients, processes and supply chain is unique, these guidelines are not a substitute for product testing. Confirmation of product acceptability under your specific conditions of use must be done by you.

** Made in the USA from $\,$ globally sourced materials

We reduce the use of petroleum-based materials by incorporating other materials like minerals and plant-based starches into select EarthChoice products.

We design products that may be washed and reused by consumers

We manufacture products that include post-consumer recycled materials and actively engage in initiatives to expand recycling of foodservice packaging.

We utilize renewable resources and actively engage in initiatives to expand composting of foodservice packaging.
