Fast degreaser effective on
ovens, stove hoods, vents
and broilers.

Grease Express™ Fast Foam

Degreaser is one of the fastest degreasers ever. Ready-to-use clinging gel provides complete coverage on vertical surfaces and helps prevent flashback. It quickly dissolves baked-on carbonized grease and can be used on greasy ovens, stove hoods, vents and broilers.

DIRECTIONS:

1. Spray onto warm (120° F) surface with carbonized grease to be cleaned. Cover soiled areas completely with foam.
2. Let product penetrate grease deposits for 1-5 minutes. Do not let product dry on surface.
3. Wipe off dissolved and loosened grease with a scrub pad or damp cloth.
4. Rinse with clear water.
