UNPARALLELED
Service & Training

Personalized service dedicated to meeting the highest standards for visibility, compliance and overall business results.

- **Regular, on-site** assessments and insights

- **Proactive** training

- **24/7/365** responsive support

Dishmachine

Optimized operations – spotless results

Our high-performance EHT dishmachine **reduces downtime** with automated procedures, including auto-deliming and tank replenishment. The **high-pressure rinse feature** ensures consistent performance, and our sustainable machine technology can **reduce water and energy usage up to 50%.**

VENTLESS OPERATION makes high-temp warewashing economical.
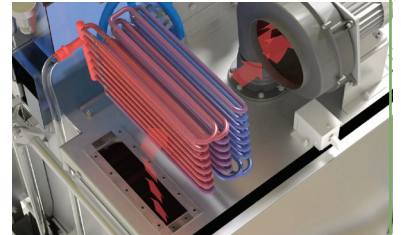

Ventless operation is achieved through integrated heat recovery technology.

SMARTPOWER™

Complete warewashing solutions

By combining our **innovative chemistry and personalized service** with our ability to **collect data and develop actionable insights**, SMARTPOWER™ brings you better transparency and control across your entire warewashing operation. Enjoy a new level of performance excellence and ensure your guests never see less than impeccable wares.

Insightful data from the SMARTPOWER™ controller gives full visibility.

DETERGENT

SMARTPOWER™ Dishmachine Detergent

High performing machine warewashing detergent for use in soft to moderate water conditions, and effective on all types of food soils. Its concentrated formula and powerful chemistry is non-corrosive, and 99.7% phosphate free. It is effective on all dishware.

6101201	4-6.75 lb
6101202	6-6.75 lb

SMARTPOWER™ Dishmachine Detergent Heavy Duty

Highest performing, low-phosphorus solid detergent in the industry for hard water and heavy soils. Use with the toughest soil and water conditions.

6101200	4-6.75 lb

SMARTPOWER™ Dishmachine Detergent Metal Safe

Solid machine detergent for washing aluminum and other soft metals. Works best in soft to moderate water conditions and light to heavy soil conditions.

6101307	4-6.25 lb

SMARTPOWER™ Dishmachine Detergent Specialty

High performing, low-phosphorous, chlorine free detergent for use in regular soil and soft to moderate water conditions. Helps manage total costs by helping to reduce rack waste.

6101308	4-6.75 lb

SMARTPOWER™ Manual Detergent

Solid detergent with a modern scent, for use in 3-compartment sinks. Cuts through the toughest food soils and thickest grease to clean pots and pans efficiently, with minimal scrubbing and at the lowest cost. No measuring or pouring by hand, no spillage, and no waste. Mild on hands.

6101907	2-3 lb

SMARTPOWER™ CONTINUED

RINSE ADDITIVE

SMARTPOWER™ Rinse Additive All Purpose

High performing machine rinse additive for use in normal water conditions. Its concentrated formula and powerful chemistry is non-corrosive, and 99.7% phosphate free reducing the need for hand polishing with spot-free performance.

6101203   2–2.5 lb

SMARTPOWER™ Rinse Additive Heavy Duty

High performing machine warewashing rinse additive for use in water hardness over 8 grains. Its concentrated formula and powerful chemistry is non-corrosive, and 99.7% phosphate free reducing the need for hand polishing with spot-free performance.

6101199   2–2.5 lb

SANITIZER

SMARTPOWER™ Sanitizer

Solid sanitizer that is effective across a wide efficacy range with no rinse required on food contact surfaces. For sanitizing of equipment, utensils, and work or dining surfaces.

6101355 (US)   2–2 lb
6101351 (Canada)   2–2 lb

SMARTPOWER™ Dishmachine Sanitizer

For sanitizing hard, non-porous food contact surfaces including eating establishment equipment/utensils, milkshake machines & soft serve ice cream machines and food processing plant premises and equipment.

6101357 (US)   4–100 tablet
6101398 (Canada)   4–100 tablet

PRESOAK

SMARTPOWER™ Presoak Cutlery/Flatware

Unique combination of alkalinity and surfactants loosens soils and emulsifies grease. Patented dual-enzyme formula removes tough, dried or baked-on protein and starch soils, reducing the need for multiple rewashes.

6101890   3–4 lb

SMARTPOWER™ Presoak Pot and Pan

Specifically formulated to remove heavy soils prior to dishmachine washing. Designed to be safe on hands while effectively removing blackened carbonized build-up and adding metal protection to prolong the life of pots and pans. Solid alkaline formula removes greasy, baked-on soils.

6101353   3–5 lb
6101352   6–5 lb

SMARTPOWER™ blocks are shape- and color-coded for easy dispensing. Learn more about SMARTPOWER™ dispensers.

Solids

Solid Power™ XL

Ultra-high activity for more dishes per capsule than any other solid detergent in the industry.

6100185	4–9 lb
6100183 (US only)	2–9 lb

Solid Super Impact™

For your toughest conditions, a highly active set of ingredients and three times the chlorine for exceptional cleaning and destaining performance.

6110256	4–9 lb

Solid Metal Pro™

Powerful cleaning for soft metals with improved safety over liquids.

6110751	4–8 lb

Solitaire™

Tough on soils for quick cleaning of pots and pans.

6117301	4–5 lb
6110884 (US only)	2–5 lb

Solid Ultra Dishmachine Detergent

Solid Ultra Dishmachine detergent is a good entry level solid machine detergent. A high performing, low phosphorous formula that provides excellent results even in challenging water conditions.

6100995 (Canada only)	4–3.63 kg

Learn more about reducing waste and controlling costs with proper dilution & dispensing systems. **p 39**

Silver Power™

Flatware presoak softens dried-on soils for maximum cleaning results in the dishmachine.

6112922	2–8 lb

DeCarbonizer MXP™ Soak Tank Activator

Powerful soaking solution removes greasy, cooked on soils from pots and pans.

6114415 (US only)	2–8 lb

Solid Brilliance™

Reduces spotting for sparkling results in most water conditions.

6125395	2–2.5 lb

Liquids

DETERGENT

Concentrated Liquid Dishmachine Detergent*

Highly concentrated detergent, integrated dispensing, lockout fitment.

6100968 (US only)   1-2.5 gal

Heavy Duty Liquid Dishmachine Detergent

Use with the toughest soil loads and water conditions. Use on tough food soils on all dishware.

6100640 (Canada only)   4-3.78 L
6100641 (Canada only)   1-18.9 L

Syncra™ Soaps & Systems

SOAPS

Syncra™ Advanced Antibacterial Hand Soap
Pre-lathered foam soap with a light floral scent. This powerful but gentle formula is effective against bacteria that can cause illness while offering a pleasant experience for employees and guests.

6101087 (US only)   4–1200 mL

Syncra™ Digiclean Antibacterial Foam Hand Soap
Pre-lathered antibacterial soap with a light citrus scent that decreases bacteria on the skin.

6100942 (Canada only)   4–1200 mL

Syncra™ Foam Hand Soap
Green Seal™ certified gentle foaming hand soap that is ideal for public restrooms.

6100865   4–1250 mL

Counter Mount

Advanced Antibacterial Foam Hand Soap

Antibacterial foam hand soap moisturizes and reduces bacteria. Contains moisturizers.

(Counter mount dispenser)
6101086 (US only)   2–1600 mL

Foam Hand Soap

Green Seal™ certified gentle foaming cosmetic hand soap. Contains moisturizers.

(Counter mount dispenser)
6100122   2–1600 mL

Counter Mount Touch-Free Dispenser

Touch-free dispenser.

9263-1012   1 each

Bulk & RTU

Advanced Antibacterial Clean & Smooth™

Antibacterial lotion soap that is gentle on hands and effective against germs.

6101419 (US only)   4–1 gal

Antibacterial Clean & Smooth™

Antibacterial liquid hand soap moisturizes and reduces bacteria. Contains moisturizers.

6114886 (Canada only)   4–1 gal

Clean & Smooth™

Green Seal™ certified gentle liquid hand soap.

6115875   4–1 gal

Manual Bulk Dispenser

9263-1970   1 each

Gel Hand Sanitizers

Waterless hand sanitizer with moisturizers to condition and helps reduce level of bacteria on hands.

6030352 (US)	144–1.2 fl oz
6000003 (US)	72–4 fl oz
6000004 (US)	12–540 mL
6082125 (Canada) (moisturizing)	144–37 mL
6000304 (Canada)	72–118 mL
6082540 (Canada)	12–540 mL

Food Preparation & Rotation

Antimicrobial Fruit & Vegetable Treatment

No-rinse treatment that reduces 99.9% of pathogens *E. coli*, *Listeria* and *Salmonella** in wash water.

EPA Reg. No. 1677-234

6100283 (US)	1–2.5 gal
6100777 (Canada)	1–2.5 gal

**E. coli* 0157:H7, *Listeria monocytogenes* (or *L. monocytogenes*) and *Salmonella enterica* (or *S. enterica*) for raw agricultural commodities

Antimicrobial Fruit & Vegetable Treatment Test Strips

Test strips to be used with Ecolab Antimicrobial Fruit and Vegetable Treatment only.

EPA Reg. No. 1677-234

20314-01-11 (US)	100 strips
92332047 (Canada)	100 strips

Victory™

EPA registered antimicrobial wash additive that reduces microorganisms from the surface of fruits & vegetables, reducing spoilage and decay.

EPA Reg. No. 1677-186

6101962	1–58 oz
6115932 (US only)	2–58 oz

Peracetic Acid Test Strips

Test strips to be used with Victory™ antimicrobial fruit and vegetable wash.

20313-01-11 (US)	50 strips
10041366 (Canada)	50 strips

Food Safety

PREP-N-PRINT®

Print clear, legible, consistent labels every time. Automatic calculations keep you compliant, help overcome language barriers, increase labor productivity and reduce errors.

11900-04-00	1 unit

Visit foodsafety.ecolab.com for food safety and food rotation products.

Cutting Boards

Reduce cross-contamination risks with color-coded cutting boards and knives. Anti-slip boards increase safety and reduce towel contamination. Six-Color Kits include: white, blue, yellow, red, brown and green. Also available individually. Anti-slip also available in purple for allergen control.

12" x 18" (30.5 x 45.5 cm)	30240-90-00	1 set
15" x 20" (38 x 52 cm)	30241-90-00	1 set
18" x 24" (45.5 x 61 cm)	30242-90-00	1 set
Anti-slip (Shown above)		
13" x 19" (33 x 48 cm)	30250-90-00	1 set
16" x 21" (40.5 x 53.5 cm)	30251-90-00	1 set
19" x 25" (48 x 63.5 cm)	30252-90-00	1 set

EcoSure® Solutions

EcoSure® CORE Food Safety Program

A single incident can compromise your customers, your employees and your reputation. Minimize food safety risk and drive behavior change with the EcoSure® Comprehensive Onsite Risk Evaluation (CORE) Food Safety Program.

Onsite Expertise

Our **comprehensive assessments** can expose risks and improve visibility into your operations. We conduct **coaching and training** to drive behavior changes and promote a culture of food safety. We also **recommend corrective actions and solutions** to minimize risks to your employees, guests, operations and brand.

Food Safety Support

Take advantage of a **variety of resources** that promote food safety like newsletters and webinars to **leverage the knowledge and expertise** of our food safety and public health experts. We also offer a hotline and **food safety readiness kits** for your staff, equipping them with prevention, response and other need-to-know information about common foodborne illnesses.

EcoSure® Norovirus Control Program

Ecolab can help you drive behavior change and minimize risk against foodborne illness.

OUTBREAK PREVENTION + INCIDENT RESPONSE

Education & Training

We help educate your managers on the risks and causes surrounding norovirus and train them in prevention and response. We support you in establishing a norovirus "champion" who works to promote a culture of prevention and helps train employees.

Prevention and Response Tools

EcoSure® is designed to equip your employees with essential information, practical and easy-to-use tools and step-by-step instructions to prevent and respond to norovirus events.

Water Systems

WATER & BEVERAGE QUALITY

Water Program from Ecolab
Expert service and peace of mind

Our water program is customized to fit your unique needs. We offer on-site water quality testing, technical water analysis and regular maintenance programs, all backed by our world-class service.

PROBLEM	SOLUTION
⊗ CHLORINE/CHLORAMINES Produces an off taste and corrodes equipment	✓ CARBON FILTRATION
⊗ SEDIMENT Clouds beverages, damages equipment	✓ PHYSICAL FILTRATION
⊗ MICROORGANISMS Leads to illness	✓ ADVANCED PHYSICAL FILTRATION
⊗ TOTAL DISSOLVED SOLIDS (TDS) Causes equipment downtime	✓ CHEMICAL CONDITIONING
⊗ HARD WATER MINERALS Leads to equipment downtime	✓ CHEMICAL CONDITIONING

PRE-FILTRATION SYSTEMS

Single Head with Pressure Gauge

Can be added retroactively to existing High Capacity filtration systems.

9320-2425 (US only)   1 each

Twin Head with Pressure Gauge

Use when installing new high capacity filtration systems in heavy sediment areas.

9320-2426 (US only)   1 each

Upgrade Kit

Upgrade Kit can be added to existing single High Capacity manifold to convert to Twin Series.

9320-2424 (US only)   1 each

FILTER SYSTEMS

High Capacity Single System

Single head filtration system for use with high capacity filters.

9320-2266   1 each

High Capacity Twin System

Double head filtration system for increased capacity and flow rate on large applications.

9320-2267   1 each

High Capacity Split Twin System

One inlet with two outlets to simultaneously treat two different applications, such as ice and post mix.

9320-2268   1 each

ECO-SLF System

Single head system for use with the ECO-350 and ECO-350S filters.

9320-2270   1 each

Replacement Cartridges

Other legacy Ecolab and common competitive filter replacements are also available. Contact your Ecolab representative for more information.

Filters

FILTER CARTRIDGES

High Capacity Filter Cartridge

Patented hollow carbon technology removes chlorine, chloramine and ultra-fine particles to improve beverage taste, odor and carbonation.

10" 50,000 gal Cartridge 9320-2198	1 each
14" 75,000 gal Cartridge 9320-2207	1 each
20" 100,000 gal Cartridge 9320-2250	1 each

ECO-350

Hollow carbon technology in a slim, compact design for improved water quality on smaller applications (up to 1.7 gpm) and in tight spaces.

10" 20,000 gal Cartridge 9320-2350	1 each

ECO-315TO5

Capsule design provides even greater flexibility in positioning to improve beverage quality in the tightest spaces. Starter kit needed for install.

16.1" 6,000 gal Cartridge 9320-1035 (starter kit)	1 each
9320-1037	1 each

SCALE CONTROL FILTERS

High Capacity Scale Control Filter Cartridge

Patented hollow carbon technology removes chlorine, chloramines, and ultra-fine particles. Improves ice and brewed beverage quality and helps protect equipment from sediment and scale.

10" 50,000 gal Cartridge 9320-2256	1 each
14" 75,000 gal Cartridge 9320-2258	1 each
20" 100,000 gal Cartridge 9320-2259	1 each

ECO-350 Filter Cartridge

Hollow carbon technology in a slim, compact design, great for standard brewers and ice machines up to 600 lbs.

10" 20,000 gal Cartridge 9320-2351	1 each

Capsule TODS Filter

Capsule design provides even greater flexibility in positioning to protect small ice machines and brewers in the tightest spaces. Starter kit needed for install.

16.1" 6,000 gal Cartridge 9320-1035 (starter kit)	1 each
9320-1042	1 each

SPECIALTY FILTERS

High Capacity SED10S+

Non carbon-based media helps to protect ice machines from scale and sediment. Ideal solution for those seeking compliance with ASHRAE Standard 188.

10" 75,000 gal Cartridge. 9320-2363 (US only)	1 each

High Capacity Ion Exchange Filter

Ion exchange resin reduces total dissolved solids and water hardness. Great for coffee, tea, espresso, steamers and combi-ovens.

14" 9,000 grain Cartridge 9320-2261	1 each
20" 15,000 grain Cartridge 9320-2262	1 each

ECO-SED20 High Capacity Pre-filter

Dual Stage Filtration Technology reduces fine and coarse particulates and protects carbon filter. Ideal solution for heavy sediment water areas.

93202390 (US only)	1 each

Parts & Install Kits

Braided Hose Install Kit

Includes tubing, fittings, barbs, clamps, and wall anchors.

$\frac{1}{2}$" Hose 9320-1094		1 each
$\frac{3}{8}$" Hose 9320-1095		1 each

Bypass Plug

Use to bypass any High Capacity filtration systems.

9320-2272   1 each

Capsule Starter Kit

Mounting bracket for initial install of capsule filter.

9320-1035   1 each

Hot Water Filtration

Hot Water Filtration Products

Stainless steel construction meant for laundry or warewashing, appropriate for temperatures under 275° F. Order cartridges separately.

Max flow rate 10, 250 psi dynamic pressure	9320-3248	1 each
Replacement cartridge	9320-1023	1 cartridge
Max flow rate 15, 250 psi dynamic pressure	9320-3255	1 each
Replacement cartridge	9320-1024	1 cartridge
Max flow rate 28, 125 psi dynamic pressure	9320-3263 (US only)	1 each
Replacement cartridge	9320-1023 (US only)	1 cartridge
Max flow rate 56, 125 psi dynamic pressure	9320-3271 (US only)	1 each
Replacement cartridge	9320-1024 (US only)	1 cartridge

Water Softeners

Point of Use Softener

Twin tank point of use softener provides uninterrupted soft water with proven reliability at temperatures up to 150° F and integrated backflow prevention. Compact design fits under standard dish tables.

HTSS-150 for door and most conveyor machines
9320-2237   1 each

HWS-FLT for conveyors >66" and flight machines
9320-2170   1 each

Point of Entry Softener

Twin tank non-electric design with metered regeneration provides uninterrupted flow of soft water to the kitchen while optimizing salt and water use.

CP-150 two 10" x 54" tanks	9320-2148 (US only)	1 each
CP-250 two 13" x 54" tanks	9320-2149 (US only)	1 each

CarePod™

Designed specifically for foodservice operations

Contains quality Ecolab **first-aid products and tools** used to support accidents and injuries that occur in the kitchen environment, including burns, cuts, eye injuries, and strains/sprains.

Ecolab CarePod™ Essentials First Aid Kit

The main cabinet complete with all products.

50225-90-11   1 each

Ecolab CarePod™ Premium First Aid Kit

The main cabinet with all products plus the empty storage cabinet.

50225-91-11   1 each

Ecolab CarePod™ Essentials First Aid Kit with Biohazard

The main cabinet with product plus the biohazard cabinet with product.

50225-93-11   1 each

Ecolab CarePod™ Premium First Aid Kit with Biohazard

The main cabinet with product plus the empty storage cabinet plus the biohazard cabinet with product.

50225-92-11   1 each

Ecolab CarePod™ First Aid Storage Cabinet

The empty storage cabinet.

50225-11-11   1 each

Ecolab CarePod™ Biohazard Spill Kit

The biohazard cabinet with product.

50226-90-11   1 each

PPE & Spill Kits

Personal Protective Equipment (PPE) Kit

Keep employees safe with an apron, goggles and elbow-length gloves for greasy cleaning.

50604-92-31 (US)
10042002 (Canada)   1 kit

Biohazard Response Spill Kit

Cleans and disinfects non-food spills/accidents. Refill kit available. Includes EPA registered product.

1 kit
50258-91-11 (US only)   1 kit

Kit refill with chemical
50258-01-11 (US only)   1 kit

Canada Biohazard Response Kit

Cleans and disinfects non-food spills/accidents. Order one each of the four items for a complete kit.

Biohazard Response Kit Case
10041915 (Canada only)   case only

Biohazard Response Kit Refill 2-Pack without chemical
10041916 (Canada only)   1 kit

Spray Bottle Holder
92022617 (Canada only)   1 holder

Aseptiscare Disinfectant Aerosol
DIN Registered product. DIN: 00801828
61116002 (Canada only)   12–397 g

Warewashing

SMARTPOWER™ Controller and IO Box Installation Kit

Includes installation parts for a SMARTPOWER™ warewashing system.

2-Product Kit	9233-1120	1 unit
3-Product Kit	9233-1119	1 unit

SMARTPOWER™ Machine Detergent Dispenser

Dispenser for SMARTPOWER™ machine warewashing detergent.

9223-1124   1 each

SMARTPOWER™ Rinse Aid Dispenser

Dispenser for SMARTPOWER™ machine warewashing rinse additive.

9223-1125   1 each

SMARTPOWER™ Sanitizer Dispenser RTU

Dispenser for SMARTPOWER™ for 3 compartment sink.

9223-1159   1 each

SMARTPOWER™ Detergent Manual Dispenser RTU

Dispenser for SMARTPOWER™ manual detergent for 3 compartment sink.

9223-1160   1 each

SMARTPOWER™ blocks are shape- and color-coded for easy dispensing. Learn more about SMARTPOWER™ products.

Warewashing CONTINUED

SMARTPOWER™ Presoak for Cutlery/Flatware Dispenser RTU

Dispenser for SMARTPOWER™ Presoak for flatware.

9223-1161   1 each

SMARTPOWER™ Hydraulic Pot and Pan Presoak Dispenser

Dispenser for SMARTPOWER™ Presoak for pots and pans.

9223-1132   1 each

SMARTPOWER™ Pot and Pan Presoak Electromatic

Dispenser for SMARTPOWER™ Presoak for pots and pans.

9223-1129   1 each

Apex™ to SMARTPOWER™ Manual Detergent Dispenser Conversion Kit

Contains pentagon product guide with o-ring, pentagon product ID and o-ring grease.

9223-2536   1 each

Apex™ to SMARTPOWER™ Flatware Presoak Dispenser Conversion Kit

Contains square product guide with o-ring, pentagon product ID and o-ring grease.

9223-2538   1 each

Apex™ to SMARTPOWER™ Hydraulic Pot and Pan Presoak Dispenser Conversion Kit

Contains square product guide with o-ring, pentagon product ID and o-ring grease.

9223-1126   1 each

Wash Max Dispenser

Dispenser for solid detergents.

9237-1103

Rinse Max II Dispenser

Dispenser for solid rinse.

9218-1494

Geocenter with Cell Packed

Dispenser for solid warewash machine detergent.

9223-1091

Concentrates

Oasis Pro™ Select 4 Dispenser

For any Oasis 2.5 gal container products. Accommodates 4 products.

9215-1149 Spray Bottle
9215-1150 Mop Bucket

Oasis Pro™ Ultra 1 System

For any Oasis 2.5 gal container products. Accommodates 1 product.

9215-1151 Spray Bottle
9215-1152 Mop Bucket

Oasis Pro™ 2-2L Product Holder

Box compartment for single 2-2 L bag products.

9215-1154

Together
Let's Shine.

SMART**POWER**™

It's time to shine.
Partner with Ecolab to solve your toughest warewashing challenges with the complete program, combining powerful chemistry with smart technology and personalized service.
