## Assembly and Care Instructions

**ECOLAB®**

Everywhere It Matters.™

# DuraLoc™ Tool Assembly Instructions

How to assemble your DuraLoc cleaning tools

## DuraLoc Dual Cavity Mop Bucket Assembly Instructions

**1**  
To secure DuraLoc Dual Cavity Casters onto bucket, flip DuraLoc Dual Cavity Mop Bucket upside down. Place casters in the holes and tap or push until they snap into position.

**2**  
Place the gray removable insert bucket into the back of the dual cavity bucket.

**3**  
Place the DuraLoc Mop Bucket Wringer on top of the gray removable insert bucket.

**4**  
Secure the DuraLoc Dual Cavity Mop Bucket Wringer handle with the enclosed screw and fastener. Place the angled portion of the handle facing inward. Insert the screw so that the nut is facing away from the mop bucket wringer pocket.

Handle can be assembled to accommodate left- or right-handed employees.

**5**  
Place the removable wet floor sign handle hanger on the back of the gray portion of the wringer.

**6**  
Attach the DuraLoc Mop Clip on the front of the Mop Bucket Wringer with the two remaining screws. Do not over tighten screws.

## Moss Foam Squeegee, Rubber Squeegee, Angle Broom and Mop Assembly Instructions

**1**  
Attach the Universal Insert Holder onto the Handle by aligning the grooves with the slots. Twist the large connector to secure.

**2**  
Slide the Squeegee, Mop, or Broom into the holder until it snaps into place.

**3**  
Press the Ecolab lever and slide Squeegee, Mop or Broom out to remove.

# DuraLoc Tool Assembly Instructions

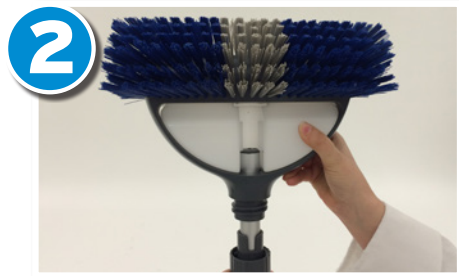

How to assemble your DuraLoc cleaning tools

## Big Dipper Deck Brush Assembly Instructions

1 Snap the plastic DuraLoc Big Dipper insert onto the DuraLoc Universal Insert Holder.

2 Place the end of the DuraLoc Over-Mold Handle on the ground and assemble at eye level. Line up grooves inside the Deck Brush Assembly with the Dura Loc Over-Mold Handle.

3 Twist the large connector to secure.

## Mop Brush Attachment Assembly Instructions

1 Insert the DuraLoc Mop Brush onto the Universal Insert Holder by lining up the circle and the 2 holes. Attach the Universal Insert Holder to the DuraLoc Light Weight Handle by placing the end of the handle on the ground and assemble at eye level.

2 Line up grooves inside the Universal Insert Handle with the Universal Handle and twist the connection to secure.

3 Slide the mop head over the razor-style holder until the mop snaps into place.

## Dura Loc Care Instructions

Following these basic instructions will maximize the life of your Tool

1 Store tools properly in Dura Loc Storage Hanger to ensure that Tool Heads do not touch floor when stored

2 Rinse Mops, Squeegees and Deck Brushes after every use

3 Discard and replace Tool Heads when worn
