## Straws

D&W Fine Pack is the largest manufacturer of straws in the United States.

We offer a wide variety lengths, thicknesses and wrapping options.

Our **Milk Straws** can be used in school cafeterias, as they are sized for individual servings of milk or juice cartons. We have two sizes of **Soda Straws** to accommodate a wide range of sodas and juices.

For thicker drinks like milkshakes, smoothies, or slushies, consider our **Milkshake Straws**. D&W Fine Pack also provides flexible straws, angle straws and spoon straws for **Specialty** uses.

Standard straw length ranges from 5 inches through 13.25 inches. In general, a longer straw has a wider diameter. Standard straw colors include white, white with red stripe, black, red and clear. Straws can be unwrapped or wrapped in either paper or film. Custom lengths, colors and wrapping is available.

## Full Line of Cutlery

D&W Fine Pack offers a full line of cutlery to meet the needs of every food service organization.

Our lightweight **Challenger** line, made of polypropylene, meets the needs of cost-conscious organizations looking for a break-resistant, economical choice. Frequent customers include school and government cafeterias, sandwich shops and stadiums.

Organizations who desire functional, good-looking medium weight cutlery should consider our **Elite** polypropylene line or our more rigid **Trend** polystyrene line. You'll find this cutlery at quick serve restaurants, party stores, hospitals, and take-out establishments.

## Full Line of Cutlery

The mid-heavyweight polystyrene line, **Select**, is a great option for those establishments who desire cutlery that is closer in look and feel to a full-size line.

**Select** is a heavyweight polystyrene cutlery line that provides the heft and solid feel you may desire. This line is commonly used in catering, cafeterias, senior care, and restaurant dining. When image is of the utmost importance, consider our **Advantage** line, a full size, heavyweight cutlery option. Upscale restaurants and take-out, as well as high-end caterers, find this line meets their needs.

**Specialty** cutlery such as soda and taster spoons are also available.

Most cutlery can be purchased in bulk, wrapped, or in convenient dining kits. Most cutlery is available in white, black, with our Full-size Advantage (PS) also available in Champagne. See specific product descriptions for full offerings.

## Custom Products and Packaging Available to Meet Every Need

D&W Fine Pack provides a wide variety of custom options for each of its product categories.

### Dining Kits

Dining kits can be customized with any standard cutlery option from lightweight to full size heavyweight and can contain single or multiple pieces of cutlery. The kits can also contain any of the following items:

- one or two ply napkins in a variety of sizes
- wet naps
- salt, pepper, sugar, low calorie sweetener, or dry creamer
- stirrers or straws
- any other item provided by the customer that would fit in the packaging, like promotional items, printed cards, etc.

Custom printing for dining kits is also available. The packet itself, as well as the salt and pepper packs, wet naps, and straw wrapping paper can be printed with the customer's logo or other information.

### Straws and Stirrers

Straws and stirrers in lengths from 5 inches to 16 inches, wrapped or unwrapped, can be customized with a variety of colors.

### Cutlery

Cutlery can be produced with a company logo in the plastic.

### Packaging

Along with standard packaging options, D&W Fine Pack can also package its products in custom printed corrugate.

**Minimum orders are required and vary by product. Consult your D&W Fine Pack Local or National Sales Representative for more information.**
