

# Expose<sup>®</sup> II 256

# Phenolic Disinfectant Cleaner

An extremely versatile phenolic disinfectant cleaner for use on hard, nonporous surfaces.

### Features/Benefits

- Provides broad spectrum efficacy of gram positive and gram negative microorganisms and viruses, including Tb, HBV, HIV-1 (AIDS virus), MRSA, VRE, Vaccinia virus, Canine parvovirus and many more
- Kills HBV and HIV-1 (AIDS Virus) in 1 minute and TB in 10 minutes
- Formulated with synthetic detergents to provide effective cleaning and disinfection in one step
- Highly concentrated phenolic formula cleans at 1/2 oz. per gallon (1:256)

#### Applications

- For use on hard, non-porous surfaces such as floors, walls, metal surfaces, painted surfaces, exterior bowl surfaces, empty basins, showers, conductive flooring and lavatory fixtures
- For use in hospitals, nursing homes, schools, colleges, medical and dental offices
- Compatible with most healthcare assets

## **Use Directions**

- Pre-clean if heavily soiled
- Thoroughly wet surfaces with the use solution for 10 minutes
- Wipe surfaces to dry and remove any residue, or rinse with potable water as necessary
- Food contact surfaces must be rinsed with potable water
- Rinsing is not necessary on floor surfaces unless floors are to be waxed or polished

# Safe handling

Please make sure your employees read and understand the product label and Safety Data Sheet before using this product. The label contains directions for use; and both the label and SDS contain hazard warnings, precautionary statements and first aid procedures. SDS are available online at www.diversey.com or by calling 888.352.2249. Improper use or dilution may result in damage to surfaces and may result in health and physical hazards that match those of the concentrate. Please refer to the Diversey HazMat Library, only available through Internet Explorer, http://naextranet.diversey.com/dot/, for up-to-date shipping information.
