

V-Sweeper®

Large Area Floor Dusting System

SAVES TIME AND LABOR

Expands up to a full 72" to quickly clean expansive areas with less time.

NARROW TO WIDE: EASY ADJUSTMENT

Scissor-type action of handle enables easy "on-the-go" adjustment to accommodate narrow passages.

TRAPS & HOLDS DEBRIS

V-shape design funnels debris into center and secures it until removed.

REDUCES USER STRESS

Light-weight, ergonomic handle is engineered to decrease stress on wrists, elbows, shoulders and back. Less passes needed to clean large areas. Less bending instances to pick-up collected debris.

V-SWEEPER® Details

Pull handles outward to expand V-Sweeper panels for wide area cleaning.

Pull handles inward to contract V-Sweeper panels for narrow passages.

Gathered debris and dust is held in the center of the v-shaped frame.
