**Your Complete Packaging Solution**

Since 1969, Form Plastics Company continues to be a strong and innovative leader in both the food and non-food packaging industry.

Form Plastics started by primarily manufacturing custom thermoformed rigid plastic containers for food applications. Our line of containers and equipment expanded with each customized packaging solution we provided to our customers. This solutions-management approach to product development and customer service has had far-reaching results into diversified markets.

The KISS/SEAL Meal Packaging System - the start-to-finish commissary packaging solution: Heat Seal Manual, Semi-Automatic, or Automatic Lidding Equipment; standard and custom thermoformed rigid disposable plastic containers; DuPont Mylar® Heat Seal Lidding Films; overwrap, shrink, and other specialty films.

Your complete packaging solution – providing quality customer relationship management and continuous product and systems improvements through progressive innovation.

#### **FORM PLASTICS MARKETS**

- Adhesives (Easy Release)
- Airlines & In-flight Services
- Bakery
- Candy & Confectionary
- Co-Packers/Packer Processors
- Customized Solutions
- Detention Feeding
- Food Processors
- Home Meal Replacement/Meals on Wheels
- Industrial
- School Feeding
- Vending & Catering

#### **FORM PLASTICS PRODUCTS**

- Disposable Trays/Containers
- Heat Seal Lidding Films
- Lidding (Sealing) Equipment
- Services
- Support Equipment & Products

#### **FORM PLASTICS COMPANY HIGHLIGHTS**

- Rated "A1A" with Dun & Bradstreet
- Purchase through national and international distribution system
- The latest technologies in thermoforming equipment and physical plant facilities
- In-house Engineering Team equipped with on-site CAD capabilities

#### **FORM PLASTICS PROGRAMS**

- Quality control - complete audit and material trace ability from raw material to finished product
- Specially tailored Stock to Dock Program
- Prompt completion of custom products
- Over 30 Thermoformers on-site.
- All films converted and slit in-house including overwrap films, printed films, perforated films, and custom films.
- All KISS/SEAL lidding equipment manufactured on-site
- 48-hour shipment on stocked/catalogue items (trays, film and equipment)
- Product Development Support

Trays listed throughout the catalogue are representative of our stocked materials and colors. Virtually any tray that we manufacture can be produced non-stock in a wide variety of materials and colors. Contact your sales representative for non-stock item information: minimum quantities, lead times & material availability. \*\*Non-stocked item. Please call for minimums and lead times. Trays are microwavable up to food temperatures of 190 degrees Fahrenheit.

# Custom Capabilities

## CUSTOMIZED SOLUTIONS

You know you've got the right solution when industries start using what Form Plastics has developed as a standardized solution!

We are known throughout many industries as a problem-solver. Form Plastics started 36+ years ago as a custom thermoforming manufacture utilizing an on-site, in-house design team equipped with Cad capabilities. We offer our customers new, easy and affordable ways to package a variety of products, such as food, adhesives, automotive parts, all the way to caramel apples!

Examples of our customized solutions:

- **Adhesives:** Easy-Release Tray
- **Airlines:** Custom carriers & pop-outs; Two piece plastic carrier set to protect glass bowls during transport
- **Bakery:** Point-of-purchase vertical cookie tray
- **Candy/Confectionary:** Caramel apple trays & carriers
- **Food Processor/Co-Packers:** Plastic carriers replacing corrugated; Custom-shaped compartmented carrier trays
- **Home Meal Replacement/Meals on Wheels:** Disposable custom meal trays & platters.
- **Industrial:** Appliance/Electronics Cap & Automotive interlocking, compartmented carrier tray
- **School Feeding:** Type A feeding containers & packaging systems; Offer vs. Serve individual portion containers
- **Vending:** Shelf Liners, Food Risers & Bottle Holder

Customized packaging was the foundation that launched our company and continues to be a strong focus for us. We welcome the opportunity to help our customers develop customized solutions to their specific packaging and production dilemmas.

# Overwrap & Specialty Films

As a master distributor for DuPont Teijin Mylar® films, Form Plastics has the ability to offer the specific solution that is right for you for Ovenable & Non-Ovenable films. Because Form Plastics converts and slits all film in house, we can offer various roll widths, lengths, gauges, and core sizes.

Some examples of what Form Plastics offers:

## Overwrap Films for Vertical (VFFS) & Horizontal (HFFS) Form-Fill & Seal Machines

- Ovenable Overwrap Film (OWF Series)
- Non-Ovenable Overwrap Film
- Polypropylene Overwrap Film (PP, OPP, BOPP)

## Personalized Printed Films

- Incorporate logos, company colors, messages
- Available in a variety of film materials (perforated/vented and non-perforated) and gauges
- Stocked printed film for School Feeding

## Other Specialty Films

- Cellophane Films
- Shrink Films

## All custom films are available with any of the following

- Corona Treated
- Barrier Treated
- Clearview Treated (Anti-fog)
- Custom Printed

## Film is available in any combination of

- Roll Widths
- Roll Lengths
- Gauges
- Core Sizes

We can readily supply you with any of the above films and manufacture the rolls to your precise specifications. Also, if you happen to require a film that is not mentioned above, please contact Form Plastics for availability. Please remember that minimums may apply for some of these films.

## Custom Equipment Capabilities

All of our lidding equipment, support equipment, trayholders, sealing plates, pockets, and flights can be designed and customized to accommodate your specific needs and requirements. Our in-house Engineering and Research & Development Team are equipped with CAD and fabricating resources right on-site; and given that the foundation of our company was based on customized solutions, our extensive knowledge base and experienced personnel are very well prepared to handle your custom needs.

- Spec sheets are available on all equipment.

All equipment above is 120V, single phase. Only the HHA600 machines require air.

# Support Equipment

LS 100 Lazy Susan Accumulator

Casters	Height	Diameter
Swivel Locking	31" Adjustable	35 1/2"

ZT-6 Wire Top Zinc Protoxy Table

Casters	Dimensions
Swivel Locking	72" x 24" x h (adjustable)

FPBC 120 Inline Belted Conveyor

Length	Lanes
12'	Single and dual available

Tray Filling Systems

Configuration	Operations	Spouts
Customizable	Hand held to full automated	Single or dual

Tray Denesters

Placement	Integrated
Mounted on machine	Fully with HHA600

Mechanical Denesters

Lanes	Height	Casters
Dual	Adjustable	Swivel Locking

# Terms & Conditions

- 1. Lead Time:** Orders will ship on the 2nd business day after the order is processed. All orders received after 3:00 pm CST will be processed on the following day. Non-stock and custom items typically require 4-6 weeks.
- 2. Back Order Policy:** Form Plastics Company will contact the customer when backorders occur. The buyer may:
  1. Hold and Ship - Form Plastics Company will hold the order until it's complete.
  2. Ship and Backorder - Form Plastics Company will ship all available products and create a backorder for the open items.
  3. Ship & Call Complete - at Customers request.
- 3. Rush Order Policy:** We attempt to maintain all stock inventories available for immediate shipment in our distribution center. For rush orders, call to check inventory availability and any increase in freight and handling charges.
- 4. Payment Terms:**
  - Trays & film Payment Terms: 1% 10 days, net 30 days. A Service Charge of 1 ½% per month will be added to invoices not paid within 30 days
  - Equipment Payment Terms: 50% down, 50% Due upon receipt
- 5. Order Change Notice:** All changes to existing orders for stocked items must be submitted to Form Plastics Company customer service department 48 hours prior to scheduled ship date. All changes to non-stock or custom items must be submitted to the customer service department 3 weeks prior to scheduled ship date.
- 6. Freight :** Freight charges will be prepaid for regular delivery orders on a one hundred (100) or more case order of product, for all addresses within the 48 contiguous United States. Any combination of our standard product line is applicable. All orders less than one hundred (100) cases will ship FOB St. Charles, IL. Form Plastics Company reserves the right to route shipments and select the method of transportation. If the buyer requests a more expensive method of transportation than that provided by Form Plastics Company, Customer shall pay the excess freight charges.
- 7. Non-Stock and Custom Items:** Contact your Form Plastics Company representative for details on non-stocked or custom items. Only these items will be run and shipped with special lead-time requirements. Industry Standards on non-stocked or custom orders are +/- 10% on quantities ordered and will be considered an acceptable delivery. Form Plastics Company will bill for actual quantity delivered within this tolerance. Stock status on all items subject to change without prior notice.
- 8. Warranty:** Form Plastics Company warrants that products shipped to any customer will be of merchantable quality and free of defects in workmanship. Seller makes no warranty of any other kind, expressed or implied. Purchaser assumes all risks and liability for results obtained by the use of Form Plastics Company products, either singly or in combination with other products. Seller's liability for loss or damage due to the use of seller's products is limited to replacement of seller's material only. No representative has authority to make any guarantee, promise, or agreement except as stated herein.

Form Plastics Company's liability for any damage caused by a product which fails due to defective materials or workmanship and the purchaser's exclusive remedy shall be limited to the replacement or repair of (at Form Plastics Company's option) the defective part or parts as originally furnished by Form Plastics Company. Form Plastics Company shall not be liable for any loss, damage, or expenses directly or indirectly related to the use of its products or from any other cause of for consequential damages (including without limitation, loss of time, inconvenience, or loss of production). It is expressly understood that Form Plastics Company is not responsible for damage or injury caused to other products, machinery, buildings, property, or persons by reason of the installation or use of its products.
- 9. Equipment Warranty:** 12 months on parts and labor.

## Return Merchandise Authorization Policy

**Product may be returned up to 6 months after receipt of shipment. All returns are subject to inspection and a 20% restocking charge.**

1. When Form Plastics Company is responsible for an error in the shipping or quality of merchandise, it may be returned to Form Plastics Company in Illinois, freight prepaid, with written authorization from the St. Charles office. All returns must reference a validated "Return Merchandise Authorization (RMA)" number. Credit will be issued for the purchase price of merchandise and freight upon verification/inspection of error by Form Plastics Company.
2. Merchandise damaged in shipment must be reported to Form Plastics Company within 5 days of the invoice date in order that a claim may be filed against the freight company. This merchandise must be held for disposition by the freight company.
3. When a customer is responsible for an error, merchandise may be returned to Form Plastics Company in Illinois with written authorization from the St. Charles office. The customer will pay a 20% restocking charge for this service in addition to paying both inbound and outbound freight charges. Under no circumstances will Form Plastics Company allow credit on opened, damaged, or re-taped cases.
4. All returned product must be stock items and in saleable condition. Under no circumstances can Form Plastics Company allow full credit for partly-used rolls of film. Please call your Form Plastics Company customer service representative for details.
5. Any return of merchandise without written authorization from Form Plastics Company's St. Charles office will be refused at our docks.

\*Orders under \$300.00 will be charged a \$50.00 small order fee. Equipment parts and back orders are not included in this policy.
