SMART-SET® Pro

If you are looking for something different in your microwave safe containers, look no further. Our Smart-Set® Pro containers are produced with a unique polypropylene “textured” microwave safe material that will wow your customers.

Features:

- Perfect for Hot & Cold foods
- Microwave safe
- Dishwasher Safe
- Stackable lid designs
- Textured design for Easy handling
- Recyclable
- Reusable

Smart-Set® Pro microwave-safe containers are available from 8 ounces to 48 ounces, in round and rectangular configurations. Both have clear, leak-resistant lids with stacking features making to-go meals a breeze.
