For additional custom options please contact your sales representative.

## Compostable Bags

### Features & Benefits

- Best sustainable option and perfect solution where compostable bags are mandated
- Contains plant-based renewable materials derived from corn starch and vegetable oils, safe for the environment
- Certified by the Biodegradable Product Institute (BPI), ASTM D6400
- Available in natural and green film colors (green-tinted bag compliant with WA SB5323)
- For best results, use within one year of manufacturing and store in a cool, dry place
- Bags fully degrade in less than 180 days in a commercial composting facility (not suitable for home composting based on resin properties)

## Compostable T-Shirt Bags

Product Code	Print	Color	Thickness (mic)	Width (inch)	Gusset (inch)	Length (inch)	Bags / Case	Wt. / Case (lbs)	Cases / Pallet	Cases / Layer	Case Cube	UPC # 7-62935~
