

# WaterHog® Eco Elite Mats

## Scraper/Wiper Mats • Indoor/Outdoor

WaterHog Eco Elite mats are durable, stain-resistant mats with a unique bi-level design that traps dirt and moisture, keeping your floors clean, dry, and safe. Eco Elite mats feature an attractive herringbone pattern.

- **Clean & Dry** – Raised nubs remove dirt and moisture from shoes and trap it below foot level; water dam border holds up to 1.5 gallons of water per square yard, keeping your floors clean, dry, and safe
- **Eco-Friendly** – PET fabric (30 ounces/square yard) is made from 97% recycled content reclaimed from plastic, and SBR rubber backing contains 20% recycled rubber from car tires
- **Safe** – Beveled edges provide a safe transition from floor to mat; certified high-traction by the National Floor Safety Institute (NFSI)
- **Durable** – Reinforced rubber nubs prevent pile from crushing and extend the performance life of the mat
- **Fade & Stain Resistant** – Solution-dyed PET fabric is resistant to staining, dries quickly, and will not fade or rot
- Available in 7 colors with choice of classic rubber border or fashion fabric border
- Feature 78-mil SBR rubber with universal cleated backing or smooth backing
