SOCIALLY RESPONSIBLE SWEETENERS

ecoStick sweeteners are sleek, visually appealing and use 46% less paper than traditional packets.

BETTER FOR YOUR OPERATION

- Better operational efficiency with a compact, uniform shape of ecoStick sweeteners so the amount of space used on the tabletop, countertop and BOH is reduced
- One Stick = One Packet so saves you space

BETTER FOR YOUR CUSTOMERS

Consumers perceive what's inside ecoSticks to be superior to the retail brands*

* Independent study: February 2015

BETTER FOR THE ENVIRONMENT

- Less waste. Same sweet taste.
- 47% reduced carbon footprint*
- GMO Free ingredients

SAME SWEETENER INGREDIENT AS THE RETAIL BRANDS

Every time an ecoStick sweetener is enjoyed in your favorite beverage, it helps ensure future generations can experience America's beautiful national parks for years to come.

These whole grain chips are made with straight-from-the-farm-fresh vegetables for the best flavor and color in each chip. The vegetables we dice and blend into our corn chips are sourced directly from farmers and processed from farm-to-chip in less than a week. Our recipe is simple – quality ingredients to make a better tasting more authentic product.

- Verified Non-Gmo
- Certified Gluten Free

Never topically flavored with powders or dust to trick taste buds.

Shockingly delicious combinations of 100% cheese crisps perfectly paired with our bold, fresh ingredient, whole grain chips for a snack like no other.
