

Heavy Duty Floor Finish Stripper

Highly Effective Heavy Duty Finish Floor Stripper

1. Fast and consistent stripping to minimize the labor and time involved in stripping

- Unbeaten by Competitive Strippers, including:
 - Conventional Strippers – Sealed Air ProStrip, Butchers Crowbar
 - Highly Alkaline Strippers – J-D Bravo, J-D Freedom

2. Solvent formula begins to break down finish polymers as soon as it is laid down, consistently removing finish in any area with no spots left behind

- Very effective for tough strip jobs with multiple coats of finish
 - *Proven to remove up to 10 coats of finish*
- Easy to dilute in water and soluble in all proportion

3. Low-odor

- Mildly scented with no irritating vapors
- *Exceeds GS-40 Standards:*

	<u>GS-40 Std</u>	<u>New Stripper</u>
Max. VOC for light to med. buildup	3%	1%
Max. VOC for heavy buildup	7%	2%

4. Not formulate with butyl or ammonia

- Does not contain *problematic* ingredients – Butyl-Free formula
 - i. Does not contain butoxyethanol, dibutyl phthalates, alkylphenol ethoxylates (including no NPEs), phosphates
 - ii. Product Ingredients are Biodegradable
