PACIFIC BLUE ULTRA™ 9" PAPER TOWEL ROLLS BY GP PRO (GEORGIA-PACIFIC), BROWN, 6 ROLLS PER CASE

Description:

Pacific Blue Ultra™ 9” brown paper towels contain 100% recycled material and provide a noticeably sustainable appearance. In fact, 77% of office employees would have the same or improved impression of office restrooms if they switched from white to brown towels[5]. These commercial towels are soft and absorbent, great for handwashing or quick cleanups. They’re especially popular in restaurants, office break rooms and restrooms, healthcare exam rooms and nurses stations, and more. And brown towels provide 600 feet more per case than our white towels (26610). Brown paper towel rolls pair perfectly with our Pacific Blue Ultra™ Mini Automated Touchless Dispenser (54518), as well as SofPull® 9” Automated Touchless Dispensers (58470, 58487). Touchless dispensers can help reduce the risk of cross contamination, and controlled dispensing can help reduce waste. Pacific Blue Ultra™ brown towels are EPA Compliant[1], Green Seal™ Certified[2], SFI® Certified[4], and can help earn LEED® credits[6]. SOURCES:[1]EPA Compliant: Contains at least 40% post-consumer recycled fiber. Meets or exceeds EPA Comprehensive Procurement Guidelines. [2]Green Seal™ Certified: This product meets Green Seal™ Standard GS-1 based on chlorine free processing, energy and water efficiency, and content of 100% recovered material, with a minimum of 50% post-consumer material. GreenSeal.org. Certified for reduced environmental impact. View specific attributes evaluated at UL.COM/EL UL-175. [4]SFI® Certified: The Sustainable Forestry Initiative® certified sourcing label is proof Georgia-Pacific is using fiber from responsible and legal sources. SFI® is a registered trademark owned by Sustainable Forestry Initiative, Inc. [5]GP PRO Proprietary Research: CPT-18-1829. [6]LEED®: The LEED® Certification Mark is a registered trademark owned by the U.S. Green Building Council and is used by permission.
