ProWorks® Neoprene Latex Blend Flock Lined 28 Mil Gloves Orange Medium

Key Features

- Chemical and flock lined gloves may be universally known as 'that dish-washing glove' but the uses (and varieties) extend beyond household cleaning
- High volume food service (such as meat processing plants) benefit from an increased resistance to animal fats
- For chemical protection, blended and Chemical gloves offer greater chemical resistance over standard latex
- Also available is our premium chlorinated flock lined glove with a beaded cuff
- For added chemical protection, use our heavy weight neoprene latex blended gloves
- These gloves offer three different grip styles to choose from, raised diamond, recessed diamond and fish-scale
- There are also three different kinds of cuffs, rolled, flat and pinked
