INCOMPATIBLE MATERIALS	Do not mix with bleach or any other household cleaners. Strong bases

USE INSTRUCTIONS

RESTROOMS: Use to remove hard water stains, rust or scale. Rinse thoroughly.
POTS, PANS, COFFEE URNS: Allow to soak 5 to 10 minutes. Remove discoloration with sponge. Rinse thoroughly with water.
DRINKING FOUNTAINS: Use to remove hard water film and iron stains. Rinse with water.
ALUMINUM & OTHER METAL BRIGHTENING: Remove any loose encrustation. Start at bottom by applying brightener with brush or sponge. Agitate surface where necessary and rinse thoroughly.
FOR BEST RESULTS: Do not use on any surface that can be damaged by acidic materials. Many surfaces are not resistant to acid. When using this product, apply first to a small area to determine its suitability. Always rinse thoroughly.

SAFETY PRACTICES TO FOLLOW

It's good business practice to assure that your employees have read and understood the product labels and Safety Data Sheet before using this product. The label use directions and SDS contain important hazard warnings, precautionary statements and first aid procedures. This information is available on-line at www.scjp.com or by calling 800-248-7190. Wear personal protective equipment, chemical-resistant gloves and chemical splash goggles, when dispensing concentrates. Improper use of product may damage surfaces and may result in physical harm to the user.
