Safety Zone® Vinyl Powder Free Blue 3 Mil Gloves X-Large 100 x 10

Key Features

- Vinyl Gloves are our most popular general purpose glove
- Vinyl gloves are stronger than polyethylene gloves, and offer greater comfort for jobs like food preparation, bussing, and cleaning where gloves will be worn for a greater period of time
- Vinyl gloves are also less expensive than nitrile and latex gloves
- Our lightly powdered vinyl gloves are produced with a food grade corn starch powder, making donning easier especially when hands are wet
- Powder free gloves go through an extra process of chlorinating the gloves to ease donning
- All Vinyl Gloves are 100% Phthalate Free, 100% Latex Free and 100% Silcione Free
