suma®

Break-Up® Chlor SC

D3.4

Highly Concentrated Chlorinated Degreaser

Highly concentrated, heavy-duty chlorinated degreaser which can be used to remove grease, dirt, oils, fats, protein and other food soils from kitchen surfaces and food processing equipment.

Features & Benefits

- Formulated to quickly and effectively remove grease, dirt, oils, fats, proteins and other common soils from kitchen surfaces and equipment
- Excellent for use in applications where you have soils that tend to stain, like blood and other food soils
- Formulated with chlorine for destaining and masking malodors
- Highly concentrated formula for excellent economy in use
- Innovative and easy to use RTD® Spray package for controlled, accurate dispensing

Applications

- Use in foam, pressure wash, steam and manual operations to assist in soil removal from processing equipment, floors, walls and ceiling fixtures
- Safe to use dilute cleaning solution on soft metal surfaces

Suma[®] Break-Up[®] Chlor SC D3.4

Highly Concentrated Chlorinated Degreaser

Use instructions

READ AND UNDERSTAND LABEL AND SAFETY DATA SHEET (SDS) BEFORE USE. SEE RTD[®] DISPENSING SYSTEM OPERATING INSTRUCTIONS SHEET ENCLOSED IN EACH CASE

- Attach RTD[®] bottle to cold water hose and turn water on.
- Dispense ready-to-use product into appropriate container by depressing trigger. Product will dispense at a 1:256 dilution.
- Spray diluted product on hard surfaces to be cleaned. Use to remove grease, dirt, oils, fats, protein and other food soils from kitchen surfaces and food processing equipment. Safe to use dilute cleaning solution on soft metal surfaces, but avoid prolonged contact times.
- Rinse surfaces after cleaning; rinse and sanitize food-contact surfaces per federal, state, and local health requirements. When cleaning floors position wet-floor signs around area to be cleaned. Floors will be slippery when wet or contaminated with foreign materials.

NOTE: Do not mix solution with products containing acid or ammonia.

Safe handling

Please make sure your employees read and understand the product label and Safety Data Sheet before using this product. The label contains directions for use; and both the label and SDS contain hazard warnings, precautionary statements and first aid procedures. SDS are available online at www.diversey.com or by calling 888.352.2249. Improper use or dilution may result in damage to surfaces and may result in health and physical hazards that match those of the concentrate.
