

CHICOPEE[®]
VERACLEAN[™]

Critical Cleaning Wipes

Chicopee[®] True Confidence[™]

Perfectly suited for day-to-day use in any industry

When the hard work is done and you're adding the finishing touch, Veraclean[®] Critical Cleaning Wipes are what you need. These ultra-soft, thick Wipes effortlessly remove remaining residue, dirt particles and fingerprints not necessarily visible to the eye. Available in different colors and textures: blue or white, smooth or creped

VERACLEAN® Critical Cleaning Wipes

Perfectly suited for day-to-day use in any industry

Finding the right wiper

CHALLENGE: For critical tasks it is vital that the process and tools supporting it are up to the job. Using the wrong tool can lead to re-work which increases cost and could slow or stop production

SOLUTION: VeraClean Critical Cleaning wipes provide a clean, residue free wiper every time, with a proven track record of quality and consistency. One of our industry experts can review your process and concerns and recommend the right wipe for your task

Absorbency

CHALLENGE: Some non-woven wipes on the market lack the absorbency to easily remove fluids and spills, leading to increased consumption; which can impact your bottom line

SOLUTION: Highly absorbent Veraclean Critical Cleaning wipes easily remove any kind of fluid or spill, without the need to use several wipes to complete the task at hand

Strength

CHALLENGE: When used with detergents, solvents, and even water some products will break down very quickly, leading to the possibility of lint or residues being left behind causing defects

SOLUTION: VeraClean Cleaning Wipes are extremely strong both wet and dry and won't fall apart, ensuring that the surface cleaned is free of any residues and contaminants

Linting

CHALLENGE: Linting of fibers can cause issues in critical areas, impacting productivity

SOLUTION: VeraClean Critical Cleaning Wipes are low linting and specially designed for the areas where quality is critical

Industries & Use

Automotive & Aerospace - paint prep, general cleaning, sealant & personal care wiping

Manufacturing - machinery & equipment cleaning, personal care

Copier Tech - printer/copier machine cleaning, glass
