

# Clucker - Truss<sup>®</sup>

## Elastic Trussing Band

1335 Ridgeland Parkway, Suite 120 Alpharetta, GA 30004 770.663.5400 volkenterprises.com

**Volk Enterprises, Inc.**

### Description

The Clucker-Truss<sup>®</sup> elastic trussing band is designed to secure the legs and wings of poultry firmly to the body, facilitating the rotisserie process. The increased elasticity of the Clucker-Truss<sup>®</sup> makes it easy to apply and offers extraordinary holding power that keeps the wings and legs of the bird intact throughout the cooking process. Its many valuable features will benefit processors, retailers, and consumers alike.

### Features

#### Increased Elasticity

The increased elasticity of the Clucker-Truss<sup>®</sup> provides better stretch for easier use while providing superior holding power during cooking.

#### Added Variety

The Clucker-Truss<sup>®</sup> is available in a wide variety of sizes and colors for a tailored fit and flavor identity. Most sizes can be bundled for increased production efficiencies.

#### Applications

The Clucker-Truss<sup>®</sup> elastic trussing band is ideal for a wide range of applications. Use it to firmly hold poultry in place, tie roasts and chops, hold together pre-sliced hams and rib racks, and secure pinwheels and other specialty products.

#### Multiple Colors\*

Red, Orange, Yellow, Green, Blue, and Black. 

\*Most sizes available in various colors
