

PTC-20W - Heavy-Duty Round Trash Can - White, 20 Gallon

SKU: PTC-20W

The Winco PTC-20W is a 20 gallon round commercial-grade trash can designed for daily use in commercial environments ideal for restaurants, offices, warehouses and garages. This white 20 gallon trash can features thick walls and a reinforced based to maximize longevity. The double-drag collar design cradles the waste container when dragged improving maneuverability. The base of the trash can features locking threads that can be used to secure to a Winco waste container dolly (sold separately; Winco item DLR-18). The ergonomic handles feature finger grips to ensure a comfortable and secure grip when lifting. Pair this waste container with a tight fitting lid (sold separately) to lock in odors and keep pests out.

- Heavy-Duty – Reinforced walls and base with structural ribs improve support and designed to withstand daily use in a commercial environment
- Double Drag Collar – Specially designed collar cradles the can when dragged for maximum durability
- Locking Dolly Threads – Quickly and easily secures to dolly for easy transport (sold separately; Winco item DLR-18)
- Ergonomic Handles – Built-in handles with finger grips allow for a comfortable and secure grasp when lifting
- Tight Fitting Lids – Trap odors and keep pests out with the tight fitting lid (sold separately)
