## Product Overview & Guides

WypAll® is the number one brand of disposable wipes in the US and Canada. Help reduce contamination risk with cleaning, disinfecting and sanitizing solutions. If you've been using either laundered towels or cloth rags for foodservice prep, it's time to make the switch to WypAll® Ultra Duty Foodservice cloths – they're a hygienic alternative. WypAll® Heavy Duty Foodservice include an antimicrobial treatment, which inhibits the growth of odor-causing bacteria that can cause laundered foodservice towels to smell "sour." They're made with high-tech HydroKnit fast-absorbing material and suitable for all common cleaning and sanitizing tasks in foodservice industries. WypAll® Foodservice Cloths are strong enough for extended use, and can be machine washed, rinsed and reused. Plus, they come conveniently and compactly packaged in a quarter fold format (an alternative to a box of rags) and are so durable that they can often be used more than once (once you've used them a few times, they're disposable).
